

Burning Bright

Laura Hackett Park

F / / / C / / / Em / / / Am / / /

Those that look to You are radiant with light
Their hearts are burning bright
(So I lift my eyes)

You're the keeper of the flame, I look to You
Come set my heart ablaze, I look to You
O God of my salvation

N.C.

I'm so ready to burn, I'm so ready to burn
I'm so ready to burn, I'm so ready to burn
