 I will obey You, God, whatever man may say

 I stand on promises I know my God has made
B F#
 With no regrets in me, my lips will praise Your name

 And though the earth gives way, I will not be afraid

B F#
 'Cause You are the Lord of Lords, You open every door

 You stand in victory and now my heart is Yours
B F#
 I will trust in You, God, and I will not be moved

 When persecution comes, I choose to stand with You
