

Healing Will Come

Laura Hackett Park

A / E/G# / B/F# / / / Esus / E / B / / /

He will not pass you by, He will not pass you by

Heal me, save me; I am Yours

If we keep asking, You will answer

If we keep seeking, You will give

If we keep knocking, You will open

And the healing will come

Is this the time, is this the day?
