

I'm Gonna Dwell in Your House

Luke Wood

A / / / Bm / G / A / / / / / / /

I've tasted and I've seen that You are good

Your lovingkindness is stronger than the grave

Surely I'm gonna dwell in Your house forevermore
(I'm gonna dwell in Your house)

I'm gonna dwell in Your house, I'm gonna dwell in Your house

I will be with You where You are, beholding Your glory
With You where You are
