

Sanctuary

Marcus Meier

Verse 1:

D G
If I could look upon You, my tongue would strip of speech
Bm G
And all imagination would fail to honor Thee
D G
You're the origin of beauty, the loveliest of all
Bm G
There is simply no one like our sovereign God

Chorus:

D G Bm G
God, be praised in Your sanctuary, in Your mighty dwelling
D G
Let everything that has breath praise Your name
Bm G
In Your holy temple, stand in awe and tremble
(D)
And marvel at Your greatness

Verse 2:

D G
Within, Your walls are dazzling, tapestry are formed
Bm G
Of color, sound and light and life, the splendor of the Lord
D G
Where everything is pleasing, it's perfect in design
Bm G
Where everyone cries, "Holy is the Lord Most High"
