

Song in the Night

Olivia Buckles

D E A / D E F#m / D E A/C# / F#m E A /

For even the darkness is light unto You
I run to You
You are the stronghold and strength of my life
I run to You

You are my light, You are my light
I hear Your song in the night
You are my light, You are my light
I hear Your song in the night

A2

(Spontaneous singing)

A / Bm / E/G# / F#m / A / Bm / E / F#m /

No fear, no accusation
Your blood is stronger, Your blood speaks louder
