

The Lord God Omnipotent Reigns

Hallelujah, the Lord God Omnipotent reigns

Just like the farmer waits for Earth's precious fruit

Faithful Bridegroom, we wait for You

Find me waiting, waiting

Find me waiting, waiting

Find me waiting, waiting

Find me waiting, waiting

(Find me waiting for You)

I will be confident in You, Jesus

I will be confident in Your perfect leadership

When I see that early rain

I will not be afraid

When I see that latter rain

I will not be afraid
