

Voices for Israel

Jaye Thomas

Gm / / / / / / / Bb / / / Cm / Eb /

From every tribe and tongue
O every nation, come and gather in prayer
Lift your voices for Israel

Those who prepare the way of the Lord
By the revelation of intercession

Gm / F / F/A / Gm / Cm / Bb F Gm / / /

We contend for those who contend for Israel
Let them not grow weary in this fight
We contend for those who contend for Israel
Would You strengthen them with the glory of Your light
