

Your Love Is Better

Jon Thurlow

Verse 1:

Dm G C
More than a life that is filled with pleasure
Dm G Am
More than a life that is free of pain
 Dm G C
More than success that promises to make me happy
 Em Am Dm G
Or a platform where everybody knows my name

Pre-chorus:

C7 F Dm C/E
I am wanting a heart that is hungry for You
C7 F Dm
Here's my weak yes, come and help me make it true

Chorus:

C F
Be my heart's cry and be my heart's reason
G C/E
Be the one thing that I won't stop seeking
F Am G F
I just know that Your love is better

C F
All of my days, in every season
G C/E
You're the one thing that my heart is needing
F Am G
I just know that Your love is better
F Am G
I just know that Your love is better

Verse 2:

Dm G C
More than a life that might bring me comfort
Dm G Am
Or a laid-back pace where peace of mind is guaranteed
Dm G C
More than having no obstacles that might make for trouble
Em Am Dm G
Or a lifestyle that promises to be carefree

Bridge:

F C/E G Am
If I have one request, it is to gaze on Your holiness
F C/E G Am
If I could be one place, it would be in Your house all my days
F C/E G Am
If I have one desire, it is to look in those eyes of fire
F C/E G Am
One thing I'm longing for, to give You worship forevermore
